

Supply List 5th and 6th grade

New King James Bible (be careful to make sure print is not too small to be easily readable)

Dictionary paperback, college level **not concise**

1 3 inch binder for Bible, History, English (rings inside binder should be about 2 ½ inches in diameter)

1 1 inch binder for Science

4 pocket folders with brads in the middle to attach papers (folders should have brads **and** pockets)

3 large packs of wide ruled or college ruled notebook paper

2 packs of white index cards

Dividers for the binders that can be labeled (students will need 8 dividers)

Colored pencils 24 pack minimum

Optional: highlighter (students may use colored pencils for highlighting as well)

12 inch ruler with inch and centimeter scale

Transparent protractor

Sturdy compass (The cheap flimsy ones from the drugstore are impossible to work with.)

1 Pack graph paper 4 squares per inch

Mead style composition book

Pencils (Mechanical are fine, but student should have some wooden pencils for backup)

Scissors

Pencil box

2 Dry erase markers - no light colors, low odor

2-3 red pens

2 large boxes of Kleenex for the classroom

1 large container of sanitizing wipes like Clorox or Lysol for the classroom

2 rolls of paper towels

For Latin:

1 1 ½ inch binder

1 Pocket folder **without** brads in the middle

1 1 ¼ inch loose leaf ring (binder ring) to use with index cards (See item number 441821 at officedepot.com for an example of this item)

Special Instructions to be completed before the first day of school: Take one pack of the index cards listed above and cut all the cards in half to make cards that are 2 ½ x 3 inches. Punch a hole in one corner of all the cards so they can be held together on a ring.

*All items should be free of any characters, entertainment or sports personalities real or imaginary. Also, care should be taken to ensure that any decoration on supplies is not in conflict with Philippians 4:8.
