

ATLANTA CLASSICAL CHRISTIAN ACADEMY

ACCA Parents,

On behalf of Atlanta Classical Christian Academy, I would like to thank those of you who have participated in the Georgia GOAL Scholarship Program, which positively impacts all ACCA students. Simply by designating that your Georgia tax dollars go to ACCA through GOAL, you are making a real difference at our school.

It is critical that students currently attending ACCA on GOAL Scholarships, and other students who could profit by attending ACCA, have our continued support. Paying your Georgia Income taxes (or a portion of your taxes) via GOAL ensures tuition funds for these students who otherwise would not be able to attend ACCA. And you come out ahead, because the amount of your Georgia tax liability you choose to redirect can be claimed as a charitable deduction on your federal income tax return! **Here's how you participate:**

1. Fill out the GOAL contribution form.
2. Sign the Department of Revenue form IT-QEE-TP1 on page 2 at Part C.
3. Make your check payable to "The Georgia GOAL Scholarship Program, Inc." or fill out the credit card portion of the contribution form.
- 4. Return items 1, 2, and 3 to ACCA, and we will handle everything else for you.**

We would also ask your help in spreading the word about the Georgia GOAL Scholarship Program. Let your friends, family, and business associates know of this amazing program for "school choice". Giving to GOAL not only satisfies your tax obligation to the state of Georgia, but keeps those tax dollars here in our community earmarked for education at ACCA.

If you have any questions or need more information, please call the office (770-874-8885) and ask to speak with Shannon Neese.

Thank you in advance for your participation and for giving the gift of your tax dollars!

Yours in Christ,

Scott B. Taylor,
Head of School

P.S. Time is of the essence, as the available tax credits for this year are running out! Please return your forms today.
